Start with the Redirect Health Member App

- Available to answer any questions 24/7/365 in English and Spanish
- If you have a medical need simply use the Member App, call or text
- Our Care Team is made up of healthcare experts and medical providers

We Navigate and Coordinate Your Care

- We'll help you determine if virtual, in-person, urgent, or emergency care is needed
- Connect to a virtual medical provider at a convenient time for you who will determine if further in-office care is needed
- We'll assist with any next steps, such as in-office visit scheduling or filling prescriptions at a nearby pharmacy so you never waste any time

- We find you the right level of care to address your medical needs, so you never pay more than you should
- Whether you had a virtual or in-person visit, we follow-up after your visit to make sure your care plan is staying on track
- Ever have a question? The Care Team is available 24/7/365

How Your Membership Works

Get the most out of your healthcare by following these simple steps

What if I need care?

Always use the Member App to schedule care and prepare for your appointments. Many times you'll get everything you need over the phone. Your Care Team will make sure you always get the right care. Never spend more than you should.

What if I get a bill?

Submit doctor's bills through the SECURE Member App (but most times we'll pay your doctor before you get a bill)

What if I have extra questions?

Expedite any request or obstacle on the Member App or use **RedirectHealth.com/ExtraHelp**

Please visit RedirectHealth.com/app to download the App

How Needs are Shared with the Community

Your Redirect Health membership protects you and your family from high-dollar medical expenses

Contact us FIRST

Always contact Redirect Health FIRST to initiate any medical need 24/7/365 the Member App is the best way.

Choose a doctor

A medical provider will be recommended or you can choose your own from a large network. You can even add a doctor.

Members can expedite any request RedirectHealth.com/ExtraHelp

Claims payment

Your provider sends claims to the Plan Administrator. We review and submit them for payment.

Advocacy

Redirect Health will arrange and coordinate qualifying financial assistance programs, manage alternative funding options, and pre-negotiate costs of services.

Physician-to-Physician case management

A Redirect Health clinician coordinates with your doctor to facilitate care and prevent unnecessary missed work and spending. Streamlined coordination, navigation & pre-negotiation is our goal.

How Pre-Existing Conditions are Shared (iEverydayCARE® Hospital & Hospital PLUS Only)

A condition is considered pre-existing for a member or dependent if symptoms or treatment have occurred within the 12 months prior to joining the Medical Cost Share. See the Membership Guidelines for detailed description of what will be considered a pre-existing condition. Controlled diabetes, hypertension, high cholesterol, seasonal allergies and intermittent asthma will not be considered pre-existing when reported prior to membership effective date.

Conditions beginning after a member's effective date will be shared after paying a \$2,000 initial member responsibility then 20% with a maximum out-of-pocket of \$4,000^ per year. See the Membership Guidelines for sharing rules.

Additional Sharing Restrictions and Limitations See Member Guidelines

Pre-existing conditions become eligible for sharing based on members' tenure with the plan, as indicated by the following graduated sharing schedule:

Time After Membership Effective Date	Shareable
First 12 months	Not shareable
Months 13-24	Shareable to \$25,000
Months 25-36	Shareable to \$50,000
Month 37 and after	Shareable to \$125,000

^{*}Specialist, advanced imaging, and hospital claims must be pre-authorized and coordinated by Redirect Health to be eligible for payment.

[^]Subject to program sub-limits. Prescription drug benefits are not included in out-of-pocket max calculation.
