

DNC POLICY

The term "Chubb" as used herein, means those insurers doing business in the United States that are directly or indirectly owned by Chubb Limited.

Chubb does not place marketing telephone calls (which for purposes of this Policy include text messages) to numbers appearing on a state or federal Do Not Call list (unless permitted by applicable law) or to the number of a person who has requested not to receive telemarketing calls made by or on behalf of Chubb.

If you ask not to receive telemarketing calls from us, you will be placed on our internally-maintained Do Not Call list and will not be called during any future telemarketing campaigns within the next five years (or any longer period required by applicable law). Any request to be placed on our internally-maintained Do Not Call list will be processed within a reasonable amount of time, not to exceed 30 days (or any shorter period required by applicable law).

Chubb employees receive training on how to use our internally-maintained Do Not Call list; how to document, process and honor requests to be placed on its internally-maintained Do Not Call list; and proper identification during telemarketing calls. Chubb requires any third-party that initiates telemarketing calls on Chubb's behalf to comply with this policy.

We reserve the right to revise this Do Not Call Policy.
